

HUMAN SERVICES DEPARTMENT[441]

Adopted and Filed

Pursuant to the authority of Iowa Code section 249A.4 and 2013 Iowa Acts, chapter 138, section 7(6), the Department of Human Services amends Chapter 75, “Conditions of Eligibility,” Iowa Administrative Code.

These amendments are due to a mitigation strategy approved by the Centers for Medicare and Medicaid Services (CMS) to allow Iowa to keep the current family planning eligibility system until June 30, 2014. Iowa requested to keep the family planning system separate from the new Medicaid eligibility system due to the time constraints of developing a new medical assistance eligibility system to process applications as required under the Patient Protection and Affordable Care Act. The family planning system will continue to process applications under non-modified adjusted gross income (MAGI) determinations.

CMS waived requirements of 42 U.S.C. § 1396a(e)(14) to allow Iowa to use non-MAGI determinations on a time-limited basis.

Notice of Intended Action was published in the Iowa Administrative Bulletin as **ARC 1211C** on December 11, 2013. These amendments were also Adopted and Filed Emergency and published as **ARC 1212C** on the same date and became effective January 1, 2014. The Department received no comments. These amendments are identical to those published under Notice of Intended Action and Adopted and Filed Emergency.

The Council on Human Services adopted these amendments on February 12, 2014.

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code section 249A.4 and 2013 Iowa Acts, chapter 138, section 7(6).

These amendments will become effective April 9, 2014, at which time the Adopted and Filed Emergency amendments are hereby rescinded.

The following amendments are adopted.

ITEM 1. Amend rule 441—75.70(249A) as follows:

441—75.70(249A) Financial eligibility based on modified adjusted gross income (MAGI). Notwithstanding any other provision of this chapter, effective January 1, 2014, financial eligibility for medical assistance shall be determined using “modified adjusted gross income” (MAGI) and “household income” pursuant to 42 U.S.C. § 1396a(e)(14), to the extent required by that section as a condition of federal funding under Title XIX of the Social Security Act. For this purpose, financial eligibility for medical assistance includes any applicable purpose for which a determination of income is required, including the imposition of any premiums or cost sharing. From January 1, 2014, through June 30, 2014, subject to a waiver of the requirements of 42 U.S.C. § 1396a(e)(14) by the federal Centers for Medicare and Medicaid Services, use of MAGI and “household income” shall not be considered to be required by that section for persons otherwise eligible for family planning services under subrule 75.1(41).
